### He Lives Here

WHAT ONE MAN THINKS OF NEW MEXICO LAND.

(Maxwell Mail)

I came to New Mexico from Green county, Mo., in 1906, and settled upon 160 acres of land adjoining the townsite of Melrose. I consider this the safest and surest farming country in the world. I have five acres in orchard, and am putting out eight acres more in young trees this year.

I consider this as good a fruit country as Missouri; the trees bear much younger here, and grapes do much better here than in Missouri. I refused \$9 for the fruit off one peach tree last year. I had 100 trees that bore \$5 worth of fruit per tree. Anything will grow here that grows in the east, and a great many things that will not grow there.

There is no comparison between this country and Missouri. As regards to health, this is a much healthier country.

I sold my land in Missouri for \$100 per acre. I would not trade my land here acre for acre for Missouri land that is selling for \$100 to \$150 an acre and be required to live on the Missouri land.

### For Sale

Lot 9, Block 35, North Park addition. This is a desirable lot facing on Main Street, and will be sacrificed to the highest and best bidder. Address the owner Box 176, Knoxville, Tenn.

160 acres for rent; 320 for sale one-fourth section with frame house 8 miles north west of Clovis for rent; one-half section 20 miles north west of Elida, for sale part cash balance easy term or would take good second hand Ford as part pay. Address: C. V. Forbes, Tularosa, N. Mex.

### Poll Tax Notice

Poll tax is now due and should be paid within the next thirty (30) days. The law provides "That all able-bodied persons (male) of the age of twenty one years or over shall pay a poll tax of one dollar for school purposes."

This should be paid at an early date as the law provides that suit shall be brought against all persons so delinquent.
